*IF you took an early dive boat and want something else to do, or
the weather isn't the best on the leeward side (Town side), just get
into your vehicle and head over to the OTHER SIDE, (windward) for a
day at the beach.*

*There is no electricity on the Windward side, so the shops and
restaurants all close up at dusk.*

Hang out on the OTHER SIDE at PARADISE CAFÉ or Mecalitos!

*BEST SAND BEACH – SAN MARTIN – But no restroom or facilities –
bring your own picnic.*

*Best bet with kids is CHEN RIO – a great place to eat - you can bring
you own drinks – if you buy food. They have a platter of great
seafood for 4 or 6 people – FABULOUS!*

*You can visit the ruins at San Gervasio – located on the cross road
about 3 miles from town OR the PUNTA SUR PARK, located on the
Southern Tip of the island.*

*A tour we recently took was at Antiqua Tequila – located just east of
San Gervasio on the crossroad. I did not like tequila until I had the
Almond – 14 or more flavors to try. Free taste tests.*

Loncherias

Loncherias are little restaurants that are only open for lunch & early dinner. Very inexpensive and we found DELICIOUS! You will find many items on their menu priced as low as 30 pesos for a meal on up to 60 pesos.

Meals consist of traditional entrées, served with a local drink included in the price. Don't be afraid to drink these flavorful beverages, you will find them quite tasty. They prepare all of these drinks using purified water. Each day there may be a different drink offered, all traditional flavors and equally delicious.

Examples of a couple of entrées are: **Catch of the Day** fixed many different ways, anyway you like – Fried, grilled or pan seared. **Tampiqueña** - Thin beef steak served with enchiladas & salad.

Miss Dollars (20th between Calle 3 and Aldofo) or El Parilla (located on 30 between 2 & 4 – just north of COVI – place to buy liquor) This one is open all day or **Chilangos** – (10 sur between 13 & 15 – just for lunch) offer daily specials on a chalk board. Enormous portions, very well prepared and all for around \$5 US.

COMIDAS often come with soup, rice, tortillas, a side of blackbeans and whatever vegetables they feel like steaming or sautéing up today, local soft drink & fresh tortillas. Great places! You'll only need a light dinner after one of these meals

Diego's – Lonchera for Seafood – 50 Bis – close to CMC hospital OPEN UNTIL 5 pm or so.

Grocery Stores

In addition to many traditional markets (the primary one is El Mercado on 25th and Salas), there are 2 giant, modern supermarkets. These have in-store bakeries, delis and massive produce departments.

Both MEGA & Chedraui, located on Melgar, are just south of Downtown . We often buy ham (jamón), cheese (queso) and the great little breads that are baked many times daily and sell for about 8 or so for \$1.00 US. With that, some cervezas and chips, head to the beach for a little picnic of your own!

JUST REMEMBER, YOU'RE ON VACATION! HAVE FUN!!!

IF you find one you like – let me know & I will add it to our list as RECOMMENDED!
